Sam:

I saw an email between Cam and Judy in which Judy mentioned that she has made Cam a presenter for today's webinar.

If others need to sign up please register here:

I wanted to send a quick note to follow up on the webinar today, we have not received dial in/login information. I also wanted to make sure you received the slides from Cam yesterday afternoon. I saw it was a big file, so wanted to make sure it came through to you.

Best,
Sam
